Resolution: #2023-09A

Seconded By: _____

WHEREAS, the applicant, Stewart Holdings LLC, has submitted an application for site plan approval to establish a service business at property located at 33 Brower Boulevard, tax parcel no. 6165-03-364146 and -379151, in the East Park Business District ("EPBD") (the "Project"); and

WHEREAS, the Project is depicted on a site plan entitled "Proposed Site Plan for DS Electric" prepared by S & P Architects, P.C., dated February 25, 2023, Sheets S-1, S-2 and S-3, last revised April 14, 2023 and Architectural Plans entitled, "Proposed Alterations for Dave Stewart" prepared by S & P Architects P.C. dated February 25, 2023, Sheet A1 last revised April 14, 2023(the "Site Plan Set"); and

WHEREAS, general commercial businesses are permitted in the EPBD with site plan approval; and

WHEREAS, the Applicant has requested that the Planning Board exercise its discretion to grant an increase in the maximum letter height from 10 inches to 16 inches pursuant to § 108-24.2F(2) of the Zoning Law which authorizes an additional inch in dimension for every 20 feet a wall sign for a business is set back from its primary roadway, if it finds that the additional size is necessary or appropriate due to such circumstances as the sign's distance from the road, the design speed of the road or the size of the building on which the sign is placed; and
