Hike Safely

- Wear clothing & footwear appropriate to season and terrain.
- Ticks which can spread Lyme disease are common here. Avoid brushing against vegetation. Use insect repellent. Mosquitoes are plentiful in summer.
- Poison-ivy is abundant on the trail.
- Drinking water is not available along the trail - be sure to bring your own.

Trail Descriptions

Farm Lane is just under 2 miles and was the route the Roosevelt family travelled to reach Val-Kill. The trail is wide and partly paved, with rolling hills. It is part of the Hyde Park Trail and is marked with green & white plastic discs. Parking is at either end, off Rt 9 or Rt 9G.

The red-blazed Bracken Pond Trail (0.7 miles), yellow-blazed Newbold Trail (0.7 miles) and blue-blazed Bennett Trail (0.2 miles) offer alternative ways to explore this area.
