TOWN OF HYDE PARK

ESCROW PROCEDURES FOR TOWN OF HYDE PARK
ATTACHMENT B

Upon initial application to the Planning Board, Zoning Board of Appeals or Town Board, an applicant or his/her agent is responsible to deposit with the Town an escrow or combination escrow amount as established by the Board, the Chair, the Supervisor, or his/her designee in advance of the review of the application in accordance with Article 36 of the Town Code.

Upon receipt of your escrow, an account will be set up with designation for your project. The funds will be placed in a noninterest-bearing account maintained by the Town of Hyde Park and will be used by the Board for consultation with professional review services provided by engineers, lawyers, architects, landscape designers, surveyors, appraisers, planners, and related professionals. Professional review expenses are billed at an hourly rate, and you will be responsible for these invoices as it pertains to your project. For instance, as the Town receives invoices for work performed on your project from its consultants (i.e., Attorney, Engineer, Planner, etc.), your escrow will be used to pay these invoices. The Board, the Chair, the Supervisor, Zoning Administrator, or his/her designee prior to approval verifies and audits the invoices. **At any time, you may request copies of the bills processed against your escrow account from the Secretary of the Board the escrow was requested from. The Secretary will then coordinate with the applicant to obtain the necessary bills directly from the consultant.**

Before receiving the final decision by the reviewing Board regarding your application, any invoices submitted by the consultants used by said Board will be fully paid by your escrow.

If at any time there are insufficient funds in your account to cover the invoices, there will be a delay in your application, i.e., said project being placed on an agenda, being reviewed as needed, or being delayed in consideration for final decision. In the event you fail to deposit the requested fees into an escrow account, any application review, approval, permit, or certificates of occupancy shall be withheld or suspended by the reviewing board, officer, or employee of the Town until such monies are deposited. In addition, no application shall be accepted by any of the Town's Boards, nor shall any building permit or Certificate of Occupancy be issued, if said application has any outstanding fees due to the Town from any previous applications.

The Town may invoke any and all legal remedies provided to it under applicable laws including, but not limited to, Article 36 of the Hyde Park Zoning Code, including charging such sums against the real property subject to the permit application and adding that charge to, and making it a part of, the next real property tax bill associated with the subject property.

After all invoices are paid in full, the reviewing Board will authorize the release of any escrow balances to you or your designee.

Please sign below as agreement to the terms of the escrow procedures.

Kindly print the name of the person whom any refund check will be made payable to upon completion of your application. This person will receive any escrow balance remaining, if any, upon approval of the Town Board.
