PUBLIC NOTICE

ROOSEVELT FIRE DISTRICT RESIDENTS

EXPANDED AMBULANCE SERVICE

The Roosevelt Fire District Board of Fire Commissioners has completed a study looking into the increase in the call volume of the Roosevelt Fire District Rescue Squad. In 2020 the Rescue Squad was dispatched to approx. 1600 times for emergency medical assistance in our community. Each year the number of emergency medical calls continue to increase. This increased number of emergency calls is difficult to cover with our volunteer Rescue Squad and to maintain our quality service. The Board of Commissioners has agreed to contract with a private ambulance service to assist with this important public safety concern. This will cost the average residential property owner an average tax increase between \$20 to \$40 per year.

You are invited to make public comments to the Board of Commissioners at the 2022 Budget Public Hearing on October 21, 2021 @ 7:00pm. The meeting will be held at the Roosevelt Company #3, 830 Violet Avenue, Hyde Park, NY 12538.
