By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his knowledge and belief:

- (1) The prices in this bid have been arrived at independently, without collusion, consultation, communication, or agreement for the purpose of restricting competition as to any matter relating to such prices, with any other bidder or with any competitor.
- (2) Unless otherwise required by law the prices which have been quoted in this bid have not knowingly been disclosed by the bidder and will not knowingly be disclosed by the bidder, directly or indirectly, to any other bidder or to any competitor, before the time of the bid opening.

Where (1) (2) and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the State, public department or agency to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

- (4) The fact that a bidder (a) has published price lists, rates, or tariffs, covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning of subparagraph (1).
- (5) Any bid hereafter made to any public authority or to any official of any public authority created by the State or any political subdivision, by a corporate bidder for work of services performed or to be performed or goods sold or to be sold where competitive bidding is required by statute, rule, regulation, or local law, and where such bid contains the certification referred to in the lead paragraph of this section, shall be deemed to have been authorized by the board of directors of the bidder and such authorization shall be deemed to include the signing and
